Organizations Set to Connect Physicians with Fee-Only Financial Advisors

Matrix Wealth Advisors, Inc. Recognized For Service Expertise

October 19, 2009 – Washington, DC – The National Association of Personal Financial Advisors (NAPFA), the country's leading association of Fee-Only financial advisors requires every member to sign a Fiduciary Oath. MD Preferred Service Network, a national internet based physician resource center chose to work exclusively with NAPFA and its members in the development and launch of the MD Preferred Financial Advisor Network. This new program will offer the nation's physicians access to Fee-Only financial advisors who act strictly in a fiduciary capacity and who have successfully completed NAPFA's stringent application and review process.

Matrix Wealth Advisors, Inc., a local financial advisory firm and long time member of NAPFA recently achieved MD Preferred status. "Physicians take the Hippocratic Oath which compels them to act solely in the best interests of the patients they serve," explained Giles K. Almond of Matrix Wealth Advisors, Inc. "Each member of our firm has taken a Fiduciary Oath which compels us to act solely in the best interests of our clients. In light of these very important similarities, it only makes sense for our professionals to work with area physicians."

"Many NAPFA-Registered Financial Advisors already provide ongoing financial advice to physicians and their families," said Ellen Turf, CEO of NAPFA. "We are thrilled MD Preferred Service Network recognizes the importance of Fee-Only compensation and a fiduciary standard in financial advice and approached NAPFA about being the exclusive partner in this program."

Physicians interested in learning more about the MD Preferred Financial Advisor program or in securing the services of an advisor from Matrix Wealth Advisors, Inc. may contact Donna Barrow at 704-358-3322.
